The DMMA is a BC registered society whose purpose is to serve its members and to promote golf at Duncan Meadows. It also provides the fundamental services that make Duncan Meadows Golf Course a golf club. All paid DMMA members participate in all functions at a reduced rate and have Hole In One Insurance. ***Your annual DMMA dues for 2020 remain at \$20/member.***

Zone 5 Victoria & District Inter-Club competitive leagues for Men (possible Harry Young) and Ladies (cancelled for 2020). Dates will be circulated by respective Captains and will be circulated if any take place this season. Information explaining these opportunities and much more can be found on the BC Golf website. Todd Lefebure (Senior Mens) & (MISGA cancelled for 2020) Liz Cage (Ladies), Grant Martin (Mens) , Graham Delong (gdelong@shaw.ca) - Harry Young and Geoff Tomlins – Senior Interclub, Ming Hui (golf@duncanmeadows.ca) – Willie Park.

Given the current circumstances around Covid19 and restrictions imposed in order to be able to continue to play golf, it is unlikely that we will be holding any of our fun tournaments this summer. Huge shout out to Hui Family for ensuring that we can continue to golf at this amazing course! Please respect social distancing and self isolation (where applicable) to protect yourselves, those around you and the ability for the course to stay open.

Ladies morning is Wednesday teeing off at 8:50. Let Liz know as soon as possible if you are hoping to play so we can make sure there are teetimes as the course is quite booked these days.

Senior Men's morning is Wednesdays teeing off at 9:00. Sign up weekly by end of day Friday for play the following Wednesday. Bulletin Board outside Pro Shop will have all posted information and weekly results.

DM Couples Golf: May 24, June 14,28, July 12,26, Aug.9, 23. Contact Grace Hui at the Pro Shop for updates and details concerning this and Mens Night 2020

There are new handicapping rules and processes in place as of January 2020 as we all shift to a World System. No more Factor everyone will use the term Index and it will be based on best 8 scores in last 20 rounds. The most effective way of ensuring correct scores and an accurate Index for all of us who play at Duncan Meadows is to enter your scores Hole by Hole on the date of play before midnight. For more information please check Golf Canada or BC Golf website for key info. Details are posted at the course. Further to the keeping of an accurate Index, please make sure you are familiar with the new rules regarding taking relief, penalty areas, loose impediments and much more. ***Know the Rules*** to make sure you take advantage of them as well as to prevent unfortunate penalties if you are going to participate in 4Ball, Club Championships and Zone 5 matches.

We are also very pleased and fortunate to have CPGA professional Dave Campbell hopefully able to provide opportunities again soon for lessons. Please check out Dave's website for information regarding his programs for all ages and skill levels. **Maybe buy a gift certificate for your favorite golfer! Call Dave at 250 701-5790 or email golfcamp99@gmail.com**
